

Course Syllabus for Algebra I

Mrs. Kepler

Room 126

keplergj@pwcs.edu

Before school help:

By Appointment/Prior Arrangement

What will I learn?

Unit 1: Scatter Plots and Linear Regression

Unit 2: Characteristics of Linear Functions

Unit 3: Linear Functions

Unit 4: Solving Multistep Equations

Unit 5: Systems and Linear Equations

Unit 6: Intro to Polynomials

Unit 7: Quadratic Functions

Unit 8: Solving Quadratic Equations

Unit 9: Simplify and Evaluate Expression

Unit 10: Inequalities

Unit 11: Functions

What Classroom Materials do I need?

A pencil

Large notebook (8.5" x 11") It must fit this page.

3 glue sticks

How will I be graded?

Your grade will follow the PWCS grading scale and will be weighted:

80% summative- Unit tests and Unit Projects

20% formative- Quizzes

Late Work and Make-up Work Policy:

If you are absent, you will need to locate any missed assignments in the absent folder. Any notes you missed will need to be completed during your own time. If you need any additional help, you will need to make arrangements with Mrs. Kepler. You have up to one week prior to the end of the quarter to turn in missed work.

Re-Take Policy:

Anyone may retake **summative assessments**. If you have received a 75% or below, you will be allowed to retake a summative assessment if you have completed remediation and any additional materials that will be provided by your teacher. Amount of remediation will vary on the number of objectives that you will retake.

Classroom Expectations Contract

How can I become successful in Math Class?

- ★ Be ready to learn.
- ★ Participate during class discussions and activities. (Stay on task while completing activities. Discussions should be Algebra related.)
- ★ Use my time wisely.
- ★ Ask appropriate questions during appropriate times.
- ★ Always put in my best effort, try my best, and do not give up.
- ★ Stay organized.
- ★ Be respectful to others and classroom/property.
- ★ Listen while teacher and others are speaking.
- ★ Follow the dress code.
- ★ No cell phones and/or food unless the teacher says otherwise.
- ★ Try to use restroom during appropriate time. (Not during note taking or while directions are being said, unless it is a true emergency.)

Please sign that you understand the expectations of our math class.
