

Dear Ms. Doolin's Class,

I hope you are doing well and participating in lots of fun activities at home. I know that things are different now that we are not in school, but I want to have some fun with you all! Some of you may know or have heard of Flat Stanley. He is a character from a book that got flattened when a bulletin board fell on him. Because he was flat, he was able to travel and go on adventures. Instead of Flat Stanley, I am Mini- Ms. Doolin!!!

I was thinking, although I cannot be with you every day for all your adventures and activities, Mini Ms. Doolin CAN! If you want to participate, take Mini Ms. Doolin along with you on all of your at home fun! Show her all of the things you are learning and doing. You can upload a video or picture of a writing about what you have been doing together! Mini Ms. Doolin loves to go on walks, play board games, play outside and build puzzles! Attached below is Mini Ms. Doolin. If you can, print me and cut me out!!

You may upload to flipgrid using the code: **doolinclass** Or send me an email at **doolindr@pwcs.edu**

I cannot wait to see all the things you are doing!

♥ Ms. Doolin
