

## 2020-2021 CAR LINE PROCEDURES

Due to COVID 19, the carline procedures have been adapted to ensure we are adhering to and following the guidelines and restrictions set forth by the CDC, VA Dept. of Education, and PWCS. For your child's safety and a safe return to and from school, the following carline procedures will be in place:

- DUE TO COVID 19 RESTRICTIONS/GUIDELINES... Parents and students MUST be wearing a mask during the carline. (Students are required to wear a mask to enter the building)
- DUE TO COVID 19 RESTRICTIONS/GUIDELINES... Students are permitted to be dropped off and picked up in the carline only.
- DUE TO COVID 19 RESTRICTIONS/GUIDELINES... parents are NOT permitted to walk their students from the parking lot.
- DUE TO COVID 19 RESTRICTIONS/GUIDELINES... students must remain in their car until a Porter staff member is present to direct their flow and ensure 6 feet of social distancing.
- All cars will be directed to wait in the car line. **The parking lot will be closed from 8:45-9:00am and 3:30-4:00pm.**
- Please DO NOT park & drop your student off on the opposite side of the street and walk across the road, there is not a cross walk.
- Please DO NOT drop your student off and have them walk between the cars that are waiting in line properly.
- Please DO NOT drop your student off in a neighborhood nearby to walk to school. We do not have crossing guards, nor cross walks, and this is very dangerous. In addition, it disrupts the traffic flow.

We are excited to have students back to school. We truly appreciate your assistance in keeping our students safe and ensuring that we follow all guidelines and restrictions.
