Kaitlyn Engelmeier-Foor, Principal

Dear Parent/Guardian of a Porter 2nd Grader,

During the teaching of the program this year, Porter Traditional School will get a visit from the PWC Fire and Rescue Department. They will give a PWCS/PWC-approved presentation on fire safety to all 2nd graders in an assembly format on April 23rd.

This presentation will cover important topics such as calling 911 if you see smoke or fire, never to play with matches or lighters, developing an escape plan with two ways out of every room, and learning the stop, drop, and roll method.

Please make sure to encourage your child to share with you what he/she learns on Friday, March 31. If you have any questions or concerns, please contact me at festamn@pwcs.edu.

Sincerely,

Madelyn Bablak,
School Counselors, 1,2,4
