

### Optional Choice Board 6/8-6/12

Reading	Writing	Math	Science	Social Studies
1st grade memory book on Seesaw.	Write about what things you have learned in 1st grade.	Practice Math Facts on Moby Max or reflex.	Go for a nature walk and collect items to make a nature picture.	Make a video, a poster, song ( or any other creative ideas!) about our star qualities.
Write your own story for a family member or friend to read.	Watch the Charlotte's Web movie and write what things are similar in the book and movie.	Create patterns using summer items (popsicle sticks, shells, flowers). Or, draw patterns in the sand or dirt using a stick or your hands. See how long you can carry out your pattern — along the length of the sandbox, or across the grass.	Sit outside and draw a picture of what you see.	Create a map of the things you would like to do over the summer.
Digraph Endings on Seesaw.	Write about your ideal summer day. What does it include?	Outside Number fun with Chalk on Seesaw.	Try out a science experiment:	Draw a picture of how you can be a good citizen to others over the summer.
Practice writing your sight words from this year in chalk, paint, or shaving cream.	Write about what you hope to do over the summer.	Sailing into Summer Math Game on Seesaw.	Keep a running log of the weather. Include temperature, humidity, clouds, precipitation, wind, air pressure. Can you predict what the weather will be tomorrow?	American Symbols review on Seesaw.

**Continue to read for 20 minutes a day, practice your math facts, and write over the summer. Use the websites sent home in March as useful resources to use as well!**
