

### Optional Choice Board 6/8-6/12

Reading	Writing	Math	Science	Social Studies
End of year Memory Book on Seesaw.	Write about what things you have learned this year.	Practice Math Facts on Moby Max or reflex.	Go for a nature walk and collect items to make a nature picture.	Make a video, a poster, song ( or any other creative ideas!) about our star qualities.
Practice writing your sight words from this year in chalk, paint, or shaving cream.	Watch the Charlotte's Web movie and write what things are similar in the book and movie.	Keep an eye out for shapes, patterns, and designs when you're out and about. You never know what you'll find in the architecture at the airport, the shopping mall, or even the grocery store.	Sit outside and draw a picture of what you see.	Create a map of the things you would like to do over the summer.
Charlotte's Web Activities on Seesaw.	Write about your ideal summer day. What does it include?	Create patterns using summer items (popsicle sticks, shells, flowers). Or, draw patterns in the sand or dirt using a stick or your hands. See how long you can carry out your pattern — along the length of the sandbox, or across the grass.	Try out a science experiment!	Draw a picture of how you can be a good citizen to others over the summer.

Review any reading concepts from this year on Study Island and IXL.	Write about what you hope to do over the summer.	Review any reading concepts from this year on Study Island and IXL.	Make root beer floats and discuss the states of matter that make up the float.	Play social studies games to review concepts taught this year on: <a href="http://www.kidsoficialstudies.com/games.html">http://www.kidsoficialstudies.com/games.html</a>
