

2ND GRADE-FALL 2018

---

# U.S. MONUMENTS PROJECT

You will be creating a  
mobile that contains facts  
about an American  
symbol you are  
learning about in class.

## Your mobile must include:

[

- A picture of the American symbol you have learned about in class.
- Each fact card must measure 6 inches long & 4 inches wide.
- Must include at least four facts about your symbol.
- Must include a picture of where your symbol is located.
